FORWARD-LOOKING STATEMENTS

Prospective investors considering an investment in TCP Capital Corp. should consider the investment objectives, risks and expenses of the company carefully before investing. This information and other information about the company are available in the company's filings with the Securities and Exchange Commission ("SEC"). Copies are available on the SEC's website at www.sec.gov and the company's website at www.tpcapital.com. Prospective investors should read these materials carefully before investing.

This press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on estimates, projections, beliefs and assumptions of management of the company at the time of such statements and are not guarantees of future performance. Forward-looking statements involve risks and uncertainties in predicting future results and conditions. Actual results could differ materially from those projected in these forward-looking statements due to a variety of factors, including, without limitation, changes in general economic conditions or changes in the conditions of the industries in which the company makes investments, risks associated with the availability and terms of financing, changes in interest rates, availability of transactions, and regulatory changes. Certain factors that could cause actual results to differ materially from those contained in the forward-looking statements are included in the "Risks" section of the company's shelf registration statement declared effective on May 6, 2016, and the company's subsequent periodic filings with the SEC. Copies are available on the SEC's website at www.sec.gov and the company's website at www.tpcapital.com. Forward-looking statements are made as of the date of this

press release, and are subject to change without notice. The company has no duty and does not undertake any obligation to update or revise any forward-looking statements based on the occurrence of future events, the receipt of new information, or otherwise.
